01. Sketches

The sketches show a navigation flow between three screens:

- Home Screen:** Features a placeholder image box at the top. Below it are four buttons: "Recruiting Company", "Volunteer", "Volunteer Organizations", and "Cleaning Company". Red arrows point from each of these buttons to the "Login" screen.
- Login Screen:** Titled "Login" with the subtitle "Sign into your account". It contains input fields for "Your Email" and "Password", a "Forgot Password?" link, and two buttons at the bottom: "I don't have account" and "Login". A red arrow points from the "I don't have account" button to the "Register" screen.
- Register Screen:** Titled "Register" with the subtitle "Create your account". It contains input fields for "Your Name", "Password", and "Email", and a "Register" button at the bottom. A red arrow points from the "I have an account" link (located above the "Register" button) back to the "Login" screen.

The sketches show a user profile section with two screens:

- User Profile Screen:** Features a hamburger menu icon in the top left. Below it is a circular profile picture placeholder. The name "Hirusha Ravishan" is displayed. Below the name is an "About me" text area. At the bottom, there are five input fields labeled "Email", "NIC", "Contact no", "Address", and "Gender". A red arrow points from the profile picture area to the "Edit profile" screen.
- Edit profile Screen:** Features a back arrow in the top left. It contains six input fields: "Name", "Email", "NIC", "Contact No", "Gender", and "Address". Below these is an "About me" text area and a "Submit" button at the bottom.
